STREAMING and SMART TVs

via Zoom

Tuesday, October 6, 2026 from 5 p.m. – 6 p.m.

Here is the Zoom Link: <https://seniorplanet.zoom.us/j/86172585837>

This presentation is completely free, and completely online.

Enjoy this Zoom presentation from your home!

Brought to you by Senior Planet/AARP

Every day, more and more people are “cutting the cord” and canceling their cable subscriptions. Instead, they’re using free or low-cost streaming services like YouTube, Netflix, and Hulu to watch their favorite shows and movies online. This presentation will introduce streaming: what it is, how to use it, and the variety of content available. You’ll also learn how to watch live TV without cable and how smart TVs and streaming devices can let you watch videos from the Internet on your television.

You're invited...bring your project and join friends old and new at our new **Knitting and Crochet Circle**, led by local crafter and co-owner of **The Edge**, Jill Weed.

Are you an experienced crafter? Great, bring your project and your laughter. All thumbs and don't know where to begin? Not to worry, Jill is here to guide you with the basics.

The K&C Circle will be held in the Meeting Room on

Monday, October 19 from 10:30 a.m - 11:30 a.m.

Monday, November 16 from 10:30 a.m. - 11:30 a.m.

Monday, December 21 from 3:00 p.m. to 4:00 p.m.

This event is free to attend.

We only ask you to please register in advance, as space is limited!
